**190**

Total number of students mentored in LET'S GO FLL teams.

**64**

Number of instructors trained to coach FLL.

**3**

Teams won first place prizes.

## Who Are We?

LET'S GO creates economic success for underserved communities through STEM education. We partner with schools and community organizations to deliver engaging K-12 through workforce programs that build critical thinking, problem-solving, and teamwork skills while ensuring underrepresented students feel they belong in STEM.

## What is FLL?

FIRST® LEGO® League is a global STEM program for grades preK-8 (ages 4-16) that uses LEGO® technology and hands-on robotics challenges to develop problem-solving, critical thinking, coding, and design skills across three age-appropriate divisions.

2601 N. Howard Street. Suite 160  
Baltimore MD, 21218
